

# Student Carer Survey

## Take Part!

Are you a student at the University of Wolverhampton who has caring responsibilities for someone?

**We need your views!**

Please answer the survey online at:

<https://uow-survey.onlinesurveys.ac.uk/student-carers>

Your responses will help shape future provision for students like you at the University.

A student carer is any student at the University of Wolverhampton who provides support to, or looks after, a family member, spouse, partner, or friend, who due to illness, mental health issues, physical disability, learning disability, old age, or substance misuse issues, cannot cope without your support.
